#### Preschool (birth through kindergarten)

So we can best take care of your preschooler and your family needs—we ask you come to the Welcome Desk, located in the preschool hallway. There we can walk you to your child's room and answer any questions you have about care, security, and policies for caring for your child.

Each class is broken down by the child's age. Preschoolers learn about God, Jesus, the Bible and church by using age-appropriate and hands-on activities each week to help them develop physically, mentally, emotionally, socially and spiritually.
